*Making sure you're
in safe hands...*

Whether you're an athlete or gym-goer, busy professional or someone who just wants to feel the benefits of holistic treatments, put yourself in the best hands.

Simply use the FHT's Complementary Healthcare Therapist Register to find a qualified, insured professional.

The Register is accredited by the Professional Standards Authority for Health and Social Care, a body accountable to Parliament.

**A mark of quality –
independently assured.**
